

Little Critter Learns About Shapes

Characters (6):

- **Narrator**
- **Little Critter**
- **Square**
- **Circle**
- **Triangle**
- **Rectangle**

Narrator:

Little Critter saw some shapes.

Little Critter:

What shapes are these?

Square:

Hello, Little Critter! I am a square! I have four sides!

Little Critter:

You have four sides! You are a square!

Narrator:

Little Critter found a ball.

Circle:

Hi, Little Critter! I am a circle! I am round. I have no sides!

Little Critter:

You are a circle! You have no sides!

Circle:

That's right! Can you roll me?

Narrator:

Little Critter found a triangle.

Triangle:

Hello, Little Critter! I am a triangle! I have three sides!

Little Critter:

You are a triangle! You have three sides!

Narrator:

Little Critter found a book.

Rectangle:

Hi, Little Critter! I am a rectangle! I have four sides. I am longer than a square!

Little Critter:

You are a rectangle! You are long!

Narrator:

Little Critter sat down.

Little Critter:

I know squares, circles, triangles, and rectangles!

Square:

I have four sides!

Circle:

I have no sides!

Triangle:

I have three sides!

Rectangle:

I have four sides and I am long!

Narrator:

Little Critter smiled.

Little Critter:

I see shapes everywhere!
