Narrator 4: So, he decided to move in and enjoy his inheritance.

Narrator 5: A couple weeks after he moved in, late at night, the phone rang. When he answered it, a voice said,

Viper: "I am the Vinder Viper. I will be there in 2 weeks!"

Narrator 6: and then it hung up before he could say anything.

Narrator 7: This really shook the man.

Narrator 8: The next day, he searched the Internet under 'snakes' for 'vinder viper' but found nothing.

Narrator 9: A week passed with no concerns and again, late one night, the phone rang.

Viper: "I am the Vinder Viper. I will be there in 1 week!"

Narrator 10: and hung up.

Narrator 11: This made the man quite nervous, not knowing what a vinder viper was.

Narrator 1: He asked around the town, and no one had ever heard of any such viper.

Narrator 2: Four days later, late at night, the phone rang.

Viper: "I am the Vinder Viper. I will be there in 2 days!"

Narrator 3: The man is getting much more concerned now.

Narrator 4: The next night, the phone rang.

Viper: "I am the Vinder Viper. I will be there tomorrow!"

Narrator 5: Needless to say, the man is just plain scared now.

Narrator 6: The next evening, the phone rang.

Viper: "I am the Vinder Viper. I will be there in 1 hour!"

Narrator 7: The man tries to leave, but his car battery is dead.

Narrator 8: Nearly an hour later, the phone rang.

Viper: "I am the Vinder Viper. I will be there in 2 minutes!"

Narrator 9: The man runs around locking all the windows and doors and calls 911.

Narrator 10: The police are on their way.

Narrator 11: Soon, there was a knock at the door. The man opened the door a crack and asked,

Man: "Is that the police?"

Viper: "No, I am the vinder viper. I come every month to vipe your vindows."
