**Gerald:** Piggie!!! Is something on my head?

**Piggie:** Yes. There is a bird on your head.

**Gerald:** There is a bird on my head? Aaaaaaaaagghhh!!!

*(Bird 2 flies and lands on Gerald's head.)*

**Piggie:** Now there are two birds. They are in love!

**Gerald:** The birds on my head are in love?

**Piggie:** They are love birds!

**Gerald:** Love birds! How do you know they are love birds?

**Piggie:** They are making a nest, and laying eggs.

**Gerald:** I do not want eggs on my head.

**Piggie:** Then I have good news! The eggs are hatching! Now you have 3 baby chicks, two birds, and a nest on your head.

**Gerald:** I do not want 3 baby chicks, two birds, and a nest on my head!

*(Birds 1 and 2 do not listen to Gerald.)*

**Piggie:** Where do you want them?

**Gerald:** SOMEWHERE ELSE!

**Piggie:** Try asking them to go somewhere else.

**Gerald:** *(nicely)* Excuse me, birds...will you please go somewhere else?

**Bird 1:** No problem.

*(Birds take their nest to Piggie's head.)*

**Gerald:** It worked! Thank you, Piggie! Thank you very much!!!

**Piggie:** *(mad)* You are welcome...
